## Take advantage of proven solutions to achieve cryptocurrency success

Our roots go back to 2007 - right around the beginning of the revolution that would become known today as Bitcoin. Following the boom of this industry, we quickly began to see some of the common issues that were present when people tried to become involved. We took this need into account along with our own personal ambition to develop an integrated platform that was able to both satisfy the needs of investors and meet their expectations with sufficient returns on their investments. Since then, we have maintained our focus as a company that looks towards the future and transforms the opportunities offered to our valued clients.

### Manage your dashboard

Deposit, transfer and withdraw bitcoin, keep track of them in the one place.

### Recurring buys

Invest in digital currency slowly over time by scheduling investments daily, weekly, or monthly.

### Vault protection

For added security, activate your 2FA as soon as you sign up.

## **Why are so many people investing in cryptocurrencies like Bitcoin on Gavel Venture Limited?**

We believe that decentralised cryptocurrencies like Bitcoin and Ethereum will revolutionise the way the world views and uses money. We are part of pioneering a new financial system being built in real time, and we believe that this new global system will accelerate humanity for generations to come. As early innovators in this industry, we feel it's our duty to bring this knowledge and excitement to the world.

## Gavel Venture Limited offer Card to investors on VIP plan

The partnership aims to fill a gap in the traditional financial system that has left many without access to essential banking products. According to a 2017 survey by the FDIC, 25 percent of U.S. households are unbanked or underbanked, while global numbers have reached a staggering 1.7 billion, according to data released by the World Bank. Through BlockCard, Gavel Venture Limited investors can have a virtual card issued to them while a physical card is mailed to them. The card has a minimum of \$1000 balance needed. It can be used at over 45 million merchants and ATMs – anywhere in the world where major credit cards are accepted.

Modern day agriculture won't be realistic without some of the most expensive machineries put in place for it. Agriculture is the future of industrial raw material and the world food supply. Gavel Venture Limited being a diversified and forward thinking investment company, has ventured into this sector of investment... Today, Gavel Venture Limited channels it's resources into it's various farms spread across the globe in order to generate daily profit for it's investors and secure the future of global food supply

For many years we have been working conscientiously and with the most diverse technologies and means. We have constantly successfully completed our projects.

We believe that the full benefits and potential of cannabis as a medical therapy are within our reach only through supply chain transparency,

an engaged and active network of cannabis users, and data that is consistently available and verifiable for medical surveys and for developing and establishing therapies and life-prolonging solutions and treatments on blockchain technology. Our vision is one in which cannabis medical research gets the support it needs and deserves.

Forex trading covers about 5trillion dollars daily by just the act of trading foreign currencies and precious assets. It comes with a lot of strategies . Gavel Venture Limited has successfully secured 0.04% of the daily forex revenue by effective use of Technical and fundamental Analysis, Fibonacci etC. This serves as a high way of generating a lot of revenue for investors.

Bitcoin mining is the process of creating new bitcoin by solving a computational puzzle. Bitcoin mining is necessary to maintain the ledger of transaction upon which bitcoin is based. Miners have become very sophisticated over the last few years... Gavel Venture Limited have through the years been part of the bitcoin mining sector. Gavel Venture Limited having a pool of professional crypto miners uses complex machinery to speed up mining process

Real estate is a \$217 trillion-dollar market making up almost 60% of all global wealth. It's the largest source of wealth, yet it is illiquid for 99% of the world today. In the past, you only had access to real estate if you were rich or had rich friends—meaning that most people weren't able to benefit from the passive income and capital appreciation it provides.. Today, Gavel Venture Limited cut out the expensive middle man and provide access for investors, by investing in shares of real estate using crypto currencies.

# About Us

Gavel Venture Limited

## About Gavel Venture Limited

Hello. Welcome to Gavel Venture Limited. So glad you're here.

Gavel Venture Limited is an Investment Platform for investors on cryptocurrency. We empower lots of clients around the world, creating a less tasking but reliable stream of income to support their lives and grow their businesses with our up to date technology, award-winning support, and diversified approach to cryptocurrency. Founded in 2002 but started accepting investment in 2020. and headquartered in Malta, Gavel Venture Limited is 100% reliable and highly profitable.

## Our History

The Idea of Gavel Venture Limited was conceived in the early days of Bitcoin(Cryptocurrency) invention. Our CEO David Shaw has been a successful FOREX trader several years before the invention of Bitcoin(Cryptocurrency), he ventured into it as soon as came to limelight but because of the high volatility of Cryptocurrency unlike Fiat currency his trade were highly unsuccessful at first. He understood that a deeper study of this new invention can reveal skills in harnessing the opportunities which he has envisaged in this new world of Cryptocurrency. He partnered with two FOREX experts that were his friend and they successfully deciphered a reliable way to trade profitably on a very high volatile currency - BITCOIN.

## Our Mission

Our mission is to spread the benefits of cryptocurrency trade as wide as we can. We hope to make everyone a beneficiary of our in depth knowledge of cryptocurrency by standing in between to help our investor get the best out of it. You do not need any knowledge of how cryptocurrency works before you can start investing because we are here to trade for you. Relax and let your money work for you.

## Our Vision

We hope to through our services grant financial freedom to as much people as we can reach . Our journey has been fruitful so far and we are very optimistic that we will affect more lives positively through our relentless effort in improving our services.

## Our Background

The team of technicians at Gavel Venture Limited's financial department monitor key cryptocurrency market trends. We are studying the processes of mining and search the system that will optimize costs and reduce net cost of Bitcoin.

### Security

Our system is developed with the most sophisticated technology you can find anywhere. It is highly secured and safe.

### Two Level Security

For a safer experience on our platform, we have included a second level identification for our users. Please activate yours.
